User Agreement for Stalls

held at Missoula Equestrian Park, 3500 North Ave. W., Missoula, MT

The 50 permanent stalls at the park are 12' x 12', solid wall; metal stalls with barred windows along the front.

Deposit Fee: *A \$250.00 deposit is required when reserving the stall facilities at the Park. If the stalls are cleaned and free from damage and all fees have been paid, the deposit check will be returned. If there is cleaning and/or repairs to be done by the Horsemen's Council, the deposit will be used to pay for such expenses.*

Breaker boxes *are to be handled only by an authorized member of the Horsemen's Council. Unauthorized use will result in a \$50 fee to reset the breaker at the barn and a \$50 fee for any lock cut from a breaker box. Repair for any damage to the breaker boxes or electrical system will be charged to the management of the event.*

Stall Use: *Stall users will need chain or twine to hang buckets or hay nets in the stalls. There is no place to attach stall guards. No nails or screws may be used in or on the stalls. No horses may be tied to any part of the stall, inside or outside.*

Bedding: *Only wood shavings are allowed for bedding. Use of unbedded stalls is prohibited. Straw is prohibited. The Missoula Horsemen's Council and the Missoula Equestrian Park are not responsible for providing bedding, or for removal of any unused bedding left after an event.*

Prior to inspection, stalls must be cleaned of all wet spots, manure and hay. It is not necessary to strip the stalls. The barn area must be cleared of all debris and litter. Soiled shavings are to be placed in the used shavings bunker. Two Park wheelbarrows are available.

Stall Inspection: *Stalls will be inspected within three days of the event. Applicable deposit return will follow immediately.*

Stall fee *is \$20 for each stall for each day of use. Stalls used for any purpose (i.e. stable, storage, tack room) are charged at the same rate.*

Electrical hook-ups for RVs *(six boxes with two plugs each, twelve plugs total) are located on the southwest side of the stall parking area. Use fee is \$10 per plug per night. Replacement cost for each damaged box is \$350, with an additional charge for wiring.*

Electrical Outlets: *There are 18 electrical outlets on the barn. These outlets are only 16 amps each. They are for grooming purposes only. RV's and large appliances must NEVER be plugged into these outlets. It is the responsibility of the event management to ensure that this rule is observed. There is no charge for use of barn outlets as allowed.*

Portable Pens: *Written consent from the Missoula Horsemen's Council is required prior to the event or activity if the use of portable pens, electric fencing or other temporary horse pens is requested. Overnight tying of horses to trailers is prohibited.*
